

## February 12<sup>th</sup> 2010 – Informal Meeting of the BVFG

At our last formal meeting in October we had all agreed our respective projects and who was doing what, with an idea we may not have a chance for all to meet in the same room until after Christmas. Although some of us have met individually and we have been in regular contact it was great to see most of group together for an informal chat in February.

Main topics discussed

- Next sixth Month Focus
- Last year's achievements
