

Calendar 2010

Following the success of the 2009 calendar, we have decided to produce another for 2010. We invite YOU to submit photo's for inclusion.

They may have been taken in the Nature Reserve at any time, but not already used for calendars or cards.

There are no prizes, but each picture used will be credited to the photographer and you will be helping Beckford Nature Reserve.

Please send your images, high resolution jpeg, to bnr@beckford-stores.co.uk by the end of August or email for further information.
